Bill,

We're sorry this letter is getting out to you so late. Our wedding was Sept 23, 2000. We just wanted to let you know what a great time everyone had at our wedding due to your excellent judgment in music & your enthusiasm in getting everyone involved. You helped to make our wedding reception a memorable one. Many people continue to remind us of the fun had by all.

Thanks Again for doing  
such an excellent job!
