Dear Bill,

I am very sorry for getting this letter out to you so long after our wedding, but time just did not allow me to do so earlier. I cannot begin to tell you what a wonderful job you and your assistant did at our wedding on August 8th, at the Valley View Golf & Country Club. I have never seen a DJ service who does such a fantastic job. My relatives are usually shy about getting up and dancing. But, on that night they were some of the first people up and out on the floor. I had so many compliments from people on how professional you were. People were talking about you for days after!

I knew from the first phone call to you back in Jan. of 1997 that you were the DJ I wanted to have at my wedding. I was impressed with you and everything you sent me in the mail. I had every confidence that you would do a superb job at the reception, and you did not let me down. In fact you went above and beyond my expectations.

I appreciate your attention to every little detail of what I wanted done that night and your respect in asking Rich and I for our opinion throughout the night about how we wanted things to progress. Your use of the lays, "Village People" outfits, maracas and tambourines was great- the crowd participation was excellent. You never had a lack of people on the dance floor. I can't believe how much fun you and your assistant had too. I can tell that you honestly enjoy your job, and that makes all the difference between a good DJ and a great one.

Bill, I will definitely recommend you to anyone who is in need of a DJ service. I could think of no one more qualified and courteous than you. Thank for making our wedding reception so memorable and most of all... FUN!

Sincerely,

Katie Maxwell
